PROFESSIONAL SUMMARY

Frontend Developer and UI/UX Designer with over 3 years of experience building responsive, accessible, and high-performance web applications. Proficient in React.js, Next.js, JavaScript, TypeScript, Tailwind CSS, and Figma. Passionate about creating intuitive digital experiences, writing clean and maintainable code, and collaborating with teams to deliver scalable web solutions.

EDUCATION

Bachelor of Engineering

Information and Communication Engineering

Federal University of Technology, Akure

2024 – Present

National Diploma

Computer Science

Federal School of Statistics

2020 – 2022

TECHNICAL SKILLS

Languages	HTML5, CSS3, JavaScript (ES6+), TypeScript
Frameworks	React.js, Next.js, Tailwind CSS, Bootstrap, Framer Motion
Tools	Git, GitHub, Figma, Responsive Design, REST APIs
Practices	UI/UX Design, Performance Optimization, Accessibility, SEO, Debugging
Soft Skills	Leadership, Communication, Mentoring, Problem Solving, Collaboration

PROFESSIONAL EXPERIENCE

Frontend Developer & UI/UX Designer

Jan 2025 – Present

Nova Digital Studio

- Built responsive websites and scalable web applications using React.js, Next.js, Tailwind CSS and JavaScript.
- Improved website accessibility, responsiveness and frontend performance across multiple client projects.
- Worked closely with designers and developers to deliver modern user experiences.
- Developed reusable UI components and maintained scalable frontend architecture.

Senior Frontend Developer

Sept 2023 – Present

ValueMax Coder's Hub

- Led frontend development for startup websites and web applications.
- Built scalable interfaces using React.js, Next.js, TypeScript and Tailwind CSS.
- Improved performance, accessibility and responsive behavior across projects.
- Collaborated with UI designers and backend engineers throughout development.

Website Development Instructor

Mar 2023 – Present

ValueMax Coder's Hub

- Trained aspiring frontend developers in HTML, CSS, JavaScript, React.js and Git.
- Mentored students through practical projects, code reviews and deployment workflows.
- Developed structured learning materials covering responsive web development.

Remote

- Designed and developed modern portfolio websites, landing pages and business websites.
- Built responsive interfaces from Figma designs using React.js and Tailwind CSS.
- Delivered optimized, SEO-friendly and user-centered web experiences for clients.

PROJECTS

Professional Portfolio Website Designed and developed a modern developer portfolio using Next.js, React.js, Tailwind CSS and Framer Motion showcasing frontend development and UI/UX work.

Membership Portal Admin Dashboard Redesigned and improved an administration dashboard by enhancing layout, usability and user interaction while maintaining responsive design principles.

Transport & Logistics Application Converted a Figma design into a fully responsive frontend application using React.js and Tailwind CSS while following clean component architecture.

Student Accommodation Platform Developed a responsive accommodation platform featuring property listings, search functionality, booking inquiries and mobile-first design.

Real Estate Platform Built a modern property showcase website with listing management, inquiry forms and conversion-focused user interfaces.

CERTIFICATIONS

- Frontend Developer Certificate (ValueMax Coder's Hub)

LEADERSHIP & COMMUNITY

- Mentored aspiring frontend developers through coding bootcamps and technical workshops.
- Contributed to frontend and UI/UX communities by reviewing projects, sharing knowledge and supporting junior developers.
- Participated in hackathons and collaborative product development projects.
- Facilitated training sessions covering React.js, Git, responsive design and frontend best practices.
